GOPATRICKFL.COM

We're your gateway to year-round fun along the Space Coast.

Outdoor Rec has a variety of recreational facilities and an extensive rental inventory with everything you need for enjoying the great outdoors.

We are a proud supporter of the protection of the environment. Please help us to preserve the wildlife in our area and abide by local, state and federal policies.

Turtle Nesting Season

From May 1 through Oct 31, the area beaches host an unusual marine visitor - the sea turtle. These magnificent animals emerge from the surf at night to lay their eggs in nests dug into the dry sand, then return to the sea. About 90% of all sea turtle nesting in the United States takes place on Florida's beaches, which means it is critical that residents and visitors alike do their part to ensure that sea turtles have a safe and successful nesting season.

Help prevent nesting and hatchling turtles from wandering off track:

- Close drapes/blinds
- Shield/turn off outdoor lights visible from the beach
- Knock down sandcastles and fill in holes
- Clean up food and trash after a day at the beach
- Don't interfere with the turtle nesting or hatching process
- Don't place beach furniture near a marked turtle nest
- Don't use fireworks on the beach

Customer satisfaction, safety and risk management are of paramount importance to us, please educate yourself before embarking on your adventure. The Florida climate is built for outdoor enjoyment; however it can be volatile.

Lightning

Central Florida is considered the nation's 'Lightning Alley' with the most lightning per square mile in the U.S. Our lightning season begins in late May and ends in Sep.

Phase-1 Lightning Watch: lightning is expected within the specified area, issued up to 30 minutes before the forecast onset of lightning. Although lightning has yet to strike, conditions are developing for dangerous lightning.

Phase-2 Lightning Warning: lightning is imminent or occurring within the specified area. Seek shelter and immediately take protective action[s].

It is our intent to deliver outstanding customer service.
